Year 7 Progress Evening - Thursday 11th July 2024

I am sure you will be finding it hard to believe that your child is approaching the end of their first year here at Bloxwich Academy! The year group has made an impressive start to their secondary school journey, and I would like to invite you to join our virtual **Year 7 Progress Evening** to discuss your child's individual progress. The event will be held online on **Thursday 11th July 2024 4.00 p.m. – 7.00 p.m.**

The event will provide an opportunity to find out how well your child has been achieving in their first year at Bloxwich Academy. You will also receive your child's most up-to-date progress report to aid discussions, which will be sent home with your child the day before the event on Wednesday 10th July 2024

Whilst SchoolCloud will continue to serve as the platform for booking and conducting appointments, parents and carers will no longer require a separate login or PIN code for the system. The School Cloud software can now be accessed directly via Weduc by following the simple steps outlined overleaf.

If you are yet to set up your Weduc account, please note that an enrolment email has been sent to the email address registered with the school and instructions are contained therein.

Please be advised that the system is now open to make appointments. We expect the event to be popular and highly recommend early booking to avoid disappointment.

Should you require any assistance with booking appointments, please Contact your child's House Office or email postbox@bloxwichacademy.co.uk

Logging onto Schoolcloud via Weduc

- Log on to your Weduc account as normal
- Select the name of your child
- Select the 'Parents evening booking' icon
- This will transfer you directly to your personal SchoolCloud booking page for the event
