Dear Parents/Carers

## CURRICULUM INTENT

Building **successful, resilient** and **confident** individuals.

Our curriculum provides pupils with the **knowledge, skills** and enriching **opportunities** to thrive in their chosen **career** path, and make valuable and **informed contributions** to a modern society.

## OUR VALUES

**V**aluable contribution  
**A**telling school  
**L**ead respectful lives  
**U**nderstanding towards others  
**E**veryone is equal  
**S**elf motivated to achieve

It has been a fantastic start to the school year, with the full introduction of our new school values and curriculum intent. As you can see, our values underpin our drive to bring our vision to life, ensuring our pupils have the emotional resilience they will need to thrive in a modern society once they leave our care and enter the world of work.

Our new praise system has also been launched, designed to reflect those same values. If you check your child's planners you will notice pupils are receiving values stickers and sticking them in the praise sheets contained in their planner. Once they have received all 6 values and 300 praises they will receive a bronze enamel badge, then 600 for a silver enamel badge, and finally 1000 for a gold enamel badge to wear with pride on their blazer lapel.

We all like to hear we have done well, so please add your support, and praise to your child's success, and encourage them to achieve their bronze, silver, and gold badges. We cannot wait to see them proudly displayed on their blazer lapels.

Already our pupils are desperate to show us their planners to reveal rows of values stickers as they attempt to outperform their peers in friendly competition. As you can see, we have recognised the wonderful work and attitude of our pupils thousands of times already, with Year 7 the year to beat at the moment.
