Dear Parents/Carers,

We wrote to you recently to highlight the dangers of social media. It is important for everyone to understand the growing threat that many seemingly harmless digital platforms present to children.

With this in mind we have added an E-Safety page to our website containing many informative links which we hope you will find highly informative and useful in aiding conversations around E-Safety.

E-Safety – Bloxwich Academy

We know many young people are highly skilled at keeping their digital activity a mystery! So, the more we are able to educate ourselves the safer we can keep our children safe from online dangers.

Links you will find on our website that support E- Safety
