EDUCATION **WITHOUT EXCEPTION**

Dear Parents/Carers,

We are delighted to inform you that your child has the opportunity to travel to **France for FREE!** Matrix Academy Trust has successfully secured funding to organise more educational visits abroad. This funding comes from the Turing Scheme, a government programme designed to increase pupils' opportunities to benefit from overseas travel. This will be a life-changing experience for pupils to explore another country!

Our Year 6 pupils will travel to France for five days, from **Tuesday, 24th June to Saturday, 28th June 2025**. Over the past three years, Matrix pupils have enjoyed trips to Spain, Germany, Japan, Sweden, Italy, and Peru. You can explore their incredible adventures here: <https://matrixacademytrust.co.uk/international/>

The trip will cover travel, accommodation, travel insurance, activities, and meals for the entire visit. Additionally, we will provide passports for pupils who need one. By applying for this opportunity, your child commits to participating in various preparatory activities leading up to the trip. There will also be parental/carers meetings scheduled ahead of the visit.

Please note that places for this trip are limited to 25 pupils. If your child is interested, kindly **complete and return the slip below by 15th January 2025**. Should we receive more than 25 applications, places will be allocated via a random draw.

We look forward to providing this exciting opportunity to your child!
