Dear Parent/Carer,

Bloxwich Academy
'Be The Best You Can Be'

At Bloxwich Academy Primary, we firmly believe that parents make a significant difference to their child's progress through support at home and with learning in school. It is also important that children see their parents at teacher working together for their benefit.

This term, we have decided to hold **two separate parents' evenings; one for Keystage 1 and Early Years children, and one for Keystage 2 children**. Parents will be able to book a 5-minute appointment with their child's class teachers. Please complete the below slips to indicate the time slot you would like your appointments to fall within, ensuring you **list all siblings within each Keystage on the relevant slip**; this will allow teachers to work together to give you the most convenient schedule.

Completed slips must be returned by **Friday 10th January** so that we can ensure all parents have the opportunity to attend.

Yours sincerely

Ms. S. Shepherd
Headteacher
