ADMISSION ARRANGEMENTS ACADEMIC YEAR 2025-2026

Bloxwich Academy is an all through 3 – 16 Academy with 1580 pupils. The Academy's admission policy is in accordance with the guidelines below:

Entry into Reception September 2025

Primary Admission round will open November 2024 to parents of children in Nursery (and Year 2 of other Walsall Infant Schools).

Closing Date for return – 15th January 2025

Published Admission Number in Reception is 60

Entry into Year 7 September 2025

Pupils will be admitted without reference to ability, aptitude, race or religion. Children in Year 6 in the primary phase will automatically transfer to Year 7 of the secondary phase without the need to apply for a place. Parents of children not attending Year 6 at the school will need to submit an application to their home local authority, the closing date for secondary applications is 31st October 2024. Additional places are available for new pupils. The Published Admission Number in 2025 will be **180** for the secondary site and the Published Admission Number for the primary site will be **60**.

Where applications for admission exceed the number of places available, the following criteria will be applied, in the order set out below:

1. Children in Public Care (looked after children) and previously looked after children

Definition: A 'looked after child' or a child who was previously looked after but immediately after being looked after became subject to an adoption, child arrangements, or special guardianship order including those who appear [to the admission authority] to have been in state care outside of England and ceased to be in state care as a result of being adopted. A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions.

2. Where a child has an older sibling currently attending the school when the application is made and who will be still attending the school in Years 8 – 11 in September of the relevant year.

Definition: a child who resides at the same address as the child for whom a place is being requested and is one of the following:

- A brother or sister sharing the same parents
- Half brother or sister sharing one common parent
- Step brother or sister (i.e. related by parent's marriage)
- Any other child for whom it can be demonstrated that he or she is residing permanently at the same address (e.g. under the terms of a residency order)

3. Where there are essential medical or social grounds for admitting the child

Definition: relevant medical or social grounds that show that attendance at the school is essential and supported in writing by a medical practitioner or social worker. Requests for such consideration will be subject to verification by the Governing Body.

4. Children of Staff employed at The Academy

Where a member of staff (**) has been employed at The Academy for two or more years at the time at which the application for admission is made/or the member of staff is recruited to fill a vacant post for which there is a demonstrable skill shortage/or the member of staff has been seconded to support another school within the Matrix Academy Trust.

- ** All full time teaching staff
All full time support staff – (defined as those on a 37 hour week and above contract)

The definition does not include contract staff. If service has been 'in house' and is subsequently 'contracted out' children of staff will no longer be eligible for priority admission under this criterion.

5. Proximity of the child's home to the school, with those living nearest being accorded the higher priority, the distance being measured in a straight line

Definition of home address: the home address of the child is considered to be the permanent residence of a child in a residential property when the place is offered. The address must be the child's only or main residence and is either owned by the child's parent, parents or guardian or leased to or rented by the child's parent, parents or guardian under lease or written rental agreement of not less than six months duration.

Distance will be measured in a straight line from the centre point of the home address to the centre point of the school, using the Local Authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Late Applications (Year 6 – Year 7 transfer)

A late application is an application form received after the published closing date. Late applications will normally be considered for places after applications that were received by the closing date. Late applicants may be less likely to be offered a place at the school.

When places are offered, applications received by the closing date and valid late applications (see below) will be considered first.

Late applications received before the notification date (before places are offered):

Applications received by the closing date and valid late applications (see below) will take priority when places are offered.

Valid late applications can only be considered if the application form is received within four weeks of the closing date.

Explanation of valid late applications:

There are limited circumstances when a late application may be categorised as a valid late application and considered together with those applications that were received by the closing date.

Subject to verification by the Director of Children's Services, Walsall Council, a late application may be considered as a valid late application where:

- The family were unable to complete an application form before the closing date because they moved into the Borough of Walsall after the issue of application forms.
OR
- The family were unable to comply with the admissions timetable because of exceptional circumstances which prevented the application arriving on time – the circumstances must be given in writing and attached to the application form.

Applications received after the Notification Date (after places are offered):

Where the school is over-subscribed an application for a place which is received after places have been offered will be added to the school's waiting list in admission criteria order.
