Reception Balance Bike Training

Dear Parent / Carer

Bloxwich Academy

www.bloxwichacademy.co.uk

We are very pleased to inform you that your child will be receiving Balance Bike training from instructors at Aspire Sports. The training will be taking place in May.

Balance Bike training helps children make the transition from a balance bike to an ordinary pedal bike much easier in a safe, challenging but fun way. It focuses on basic bike skills, takes away the use of stabilisers and promotes the fundamental skill of cycling.

Please ensure your child is provided with suitable clothing. Balance bikes will be provided by the instructors and your child is always expected to wear an appropriate cycle safety helmet. Helmets are also provided but if you would like your child to wear their own helmet please ensure they bring this to school on the training dates.

Please complete the below consent slip and return to **class teachers** by **Friday 4th April 2025**. Once slips are returned, children will be placed into groups, parents will be informed when their child will complete the training.

Yours sincerely

Ms S. Shepherd
