

Dear Year 6 Parents and Carers,

Re: Preview of Puberty and Relationships Education Materials

As part of our Personal, Social, Health and Economic (PSHE) curriculum at Bloxwich Academy Primary, Year 6 pupils will soon be taking part in important sessions led by the School Nursing Team. These sessions will focus on puberty and relationships, helping to prepare children for the changes and challenges of growing up in a safe, age-appropriate and supportive way. We understand how valuable it is for parents and carers to feel informed and involved in what their child is learning. With that in mind, we would like to invite you to a preview session to view the materials that will be shared during these sessions. This will be an opportunity to:

- See the teaching materials and resources in advance,
- Understand the content and approach used by the School Nurses,
- Ask any questions or share any feedback with us.

Preview Session Details:

Date: Thursday 3rd July

Time: 9am

Venue: School Main Office

We warmly encourage you to attend and look forward to working in partnership to support your child through this part of their education.

Please complete and return the reply slip below by Thursday 3rd May.

If you are unable to attend but would still like to view the materials or speak to a member of staff, please contact the school office and we will be happy to arrange a convenient time.

Yours sincerely,

Sue Shepherd
Headteacher

Yr6 Relationship and puberty education session

Please return by Friday 27th June

Child's name: Class:

☐ I will attend the preview session on Thursday 3rd July

☐ I am unable to attend, but would like to arrange another time to view the materials

☐ I do not wish to attend
