Re: Availability of Sanitary Products at School

Dear Parents/Carers

We are writing to inform you that Bloxwich Academy is committed to supporting the health and wellbeing of all our pupils. As part of this commitment, we would like to let you know that **sanitary products are available, free of charge**, to any pupil who needs them.

These products are available in a discreet and respectful manner, and pupils can collect them from their house office as needed. No explanation is required from pupils when collecting these items.

We understand that periods should not be a barrier to education, and we aim to ensure that every pupil feels comfortable and supported during their time at school.

Should you have any questions or would like further information, please contact us via postbox@bloxwichacademy.co.uk or contact your child's Head of House.

Yours sincerely
