Dear Parent/Carer

The Department for Education requires us to deliver the statutory guidance for Relationships, Sex and Health Education (RSHE). This, alongside other key areas such as RE, Citizenship and Careers, makes up our personal development curriculum which is delivered at all Key Stages through assemblies and form time activities.

As part of this curriculum, and as an additional layer of support, we have the fantastic opportunity to have Walsall School Health - Healthy Child Programme, 0-19 service in school from Thursday 9th October. This will be a rolling programme of support each week. Pupils can book to see the School Nurse team to discuss a range of health and wellbeing topics. This will not interrupt lessons and will take place during their lunch period. The offer of this service is optional for all pupils if they wish to speak to a School Nurse.

This support is also available at Harden Community Centre during the half term period for families in the local area.

Details of our RSHE Policy can be found on our website. This content is now statutory and forms a key part of our provision at school.

Should you have any queries, please contact Miss Williamson at postbox@bloxwichacademy.co.uk.

Yours sincerely

Mr J Till
