Dear Parents/Carers,

BloxwichAcademy
www.bloxwichacademy.co.uk

To ensure the highest quality of swimming instruction, we have made a change to how swimming lessons will be delivered for Year 6 pupils.

From Monday 13th October each Year 6 class will attend swimming lessons on alternate weeks. This approach will allow each class to have more focused time in the pool, providing greater opportunities to develop stroke technique and essential personal survival skills.

Our aim is to give every pupil the best possible chance to meet the National Curriculum requirement of swimming 25 metres confidently and competently.

When not swimming, Year 6 pupils will continue their unit of football and will also take part in a fitness unit. This means all children will experience a broad range of physical activities, helping them to develop a wide variety of skills and knowledge to support their overall physical education.
