8<sup>th</sup> January 2026

Dear Parents and Carers,

**Bloxwich Academy**  
'Be The Best You Can Be'

We are pleased to invite you to a **Reception Maths Workshop** on **Thursday 29th January from 2:00–3:00 pm.**

The workshop will give you the opportunity to learn more about the Reception maths curriculum and how maths is taught in school. We will explain the key areas of learning and the methods we use to support children's mathematical development.

Following this, you will be invited into the classrooms to take part in a range of maths activities alongside your child. This will give you a chance to see first-hand how your child learns through practical and engaging activities, and how you can support them at home.

We hope you will be able to join us for this informative and enjoyable afternoon. Your involvement makes a valuable difference to your child's learning.

We look forward to welcoming you.

Kind regards,

**The Reception Team**

Yours sincerely

Ms. S. Shepherd  
Headteacher (Primary)
