

# YOU SAID, WE DID

## Parent Advisory Board

4th March 2026

Focus	You Said	We Did
Systems for communicating pupil behaviour with parents.	It is difficult to find out children's behaviour unless a phone call is made home.	A pilot has been created to trial Classcharts information for parents using the Classcharts app.
Parental engagement through workshops.	Parents would like to be given more opportunities to come in to do workshops.	Due to the success of the Reading Cafe, there has been more Reading Cafe events and future parental engagement events are being planned.
