

Our Ref: RF/CEA/Synoptic Assessments

Bloxwich Academy

www.bloxwichacademy.co.uk

Dear Parent/Carer,

As we approach the end of the academic year, we will shortly be conducting end of year synoptic assessments for pupils across the school. These assessments will take place across all subjects within the same assessment week.

These assessments are designed to bring together learning from across the year and are an important part of how we support pupils' progress. The outcomes will help us to determine appropriate setting and support arrangements for next year.

Importantly, these assessments are not only a reflection of what pupils have studied this year. They also help us to understand whether pupils have the knowledge and skills required to successfully access the curriculum in their next year group. This ensures that teaching can be adapted and support put in place from the very start of the new academic year.

Assessment Dates

End of year synoptic assessments will take place during the following week, across all subjects:

- **Year 7:** Week Beginning 01/06/2026
- **Year 8:** Week Beginning 08/06/2026
- **Year 9:** Week Beginning 01/06/2026

Further details about individual subject assessments will be shared with pupils in school.

For this reason, it is essential that pupils prepare carefully and take the assessments seriously. We would strongly encourage your support in helping pupils to revise and engage positively with their preparation. Revision resources to support pupils are available on the Bloxwich Academy website under [the Pupil Life - Home Learning section](#).

Thank you for your continued support. Should you have any questions, please email postbox@bloxwichacademy.co.uk for the attention of Mr Francis (Assistant Headteacher).

Yours sincerely,

A handwritten signature in black ink, appearing to read 'J Till'.
