Dear Parents and Carers,

Re: Year 10 Mock Examinations

As part of our assessment schedule, Year 10 pupils will be sitting mock examinations later this term. These mock exams represent a key halfway point in their GCSE courses and play an important role in preparing pupils for their final examinations next year.

The Year 10 mocks assess pupils' understanding of the knowledge and skills covered so far across their GCSE subjects and help prepare them for formal exam conditions. The outcomes will be used to identify strengths and areas for development and to inform support as pupils move into the final year of their GCSE courses.

To further support pupils during the mock examination period, focused revision time will be available each morning from 8:00am as part of our free Breakfast Club provision. This session provides pupils with a calm, structured environment to review key content, ask questions, and prepare positively for their examinations while also accessing breakfast. We would strongly encourage pupils to take advantage of this opportunity throughout the mock exam week.

Mock Examination Dates

The Year 10 mock examinations will take place **across all subjects** during the following period:

- **Year 10 Mock Exam Window:** 1st June 2026 – 26th June 2026

Pupils will receive a timetable for these mock examinations and subject specific information, including details of the content being assessed and the timing of individual papers.

Examination Regulations

During the mock examinations, pupils will be expected to follow JCQ (Joint Council for Qualifications) examination regulations, in line with those used in external GCSE examinations. We would appreciate you taking the time to review these regulations with your child, to ensure they are clear about expectations and conduct.

The JCQ regulations are available on the **Bloxwich Academy website** under **Pupil Life → Exams** and on the JCQ website.

It is essential that pupils prepare carefully and take these examinations seriously. Your support at home in encouraging revision and positive routines will make a significant difference to their readiness and confidence.

There has been a slight amendment to the timetable originally shared with pupils. The afternoon exams on 9th and 11th of June have changed for logistical reasons. The updated version is attached to this letter and also available on the school website.

Thank you for your continued support. Should you have any questions, please do not hesitate to contact postbox@bloxwichacademy.co.uk marked for the attention of Mr Francis (Assistant Headteacher).

Yours sincerely,

Mrs C Eardley
Head of School

Year 10 Summer Examinations Timetable 2026

Week 7		1st June 2026	2nd June 2026	3rd June 2026	4th June 2026	5th June 2026
