Dear Parent/Carer

Introducing ClassCharts for Parents at Bloxwich Academy

Bloxwich Academy

www.bloxwichacademy.co.uk

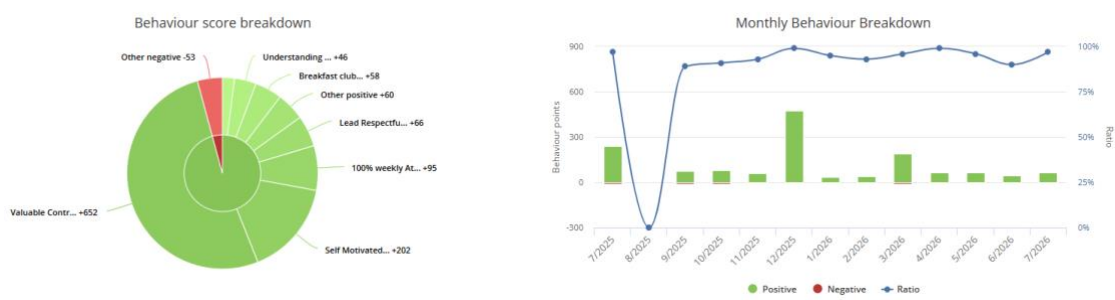

We are pleased to inform you that Bloxwich Academy uses **ClassCharts**, an online system designed to monitor and support pupils' behaviour, achievements, and engagement throughout the school day.

ClassCharts allows staff to record and reward positive behaviour instantly, both in lessons and during social times around the academy. The system also enables us to communicate important information with parents and carers, including any detentions that may be issued.

To access your child's information, please create a parent account using the **access code sent to your email**. Once registered, you will be able to log in and view real-time updates relating to your child's achievements, behaviour points, and any scheduled detentions.

The dashboard provides an easy-to-read overview of your child's activity and progress, similar to the example shown below.

More detailed information is available for each recorded event.

If you experience any difficulties setting up your account or accessing ClassCharts, or if you have any questions about the system, please do not hesitate to contact your child's **Head of House**, who will be happy to assist you. Also, there will be a ClassCharts workshop held in school **Monday 20th September at 4.00pm**.

Thank you for your continued support in helping us maintain high standards of behaviour and achievement at Bloxwich Academy.

Yours sincerely
