Dear Parent/Carer

Our personal development curriculum at Bloxwich Academy meets all statutory guidance and prepares pupils for adult life. This includes Relationships and Sex Education, Health Education, Citizenship, Careers and PSHE. The statutory guidance has been updated for RSHE for teaching from September 2026. [Relationships Education, Relationships and Sex Education and Health Education guidance](#)

Our RSHE policy (with curriculum overview) is available for families to read on the following link: <https://bit.ly/4wCWGhd>

We also have a dedicated personal development page where you can find out more information about our personal development curriculum. An important part of our curriculum is enhancing our provision with expert external speakers – we have included an overview for you and will write home to inform you when pupils are receiving assemblies or workshops about sensitive issues. You will also be able to view materials used for the delivery of RSHE from September onwards via our family portal and information regarding this will be sent home at the start of next term.

It is important to us at Bloxwich Academy that we take account of our local and school context and we adapt our curriculum as required to respond to any relevant issues. It is also important that we take account of pupil and parent views and pupil voice is a regular part of the work that we do. In order to consult with parents and carers, we have included a link to a Microsoft Forms for you to complete with any comments on how we meet the statutory requirements for RSHE- [Parent Consultation – Fill in form](#). If you complete the form, there is a chance for you to win a voucher worth £20. We would appreciate any comments by Monday 13<sup>th</sup> July. Also, you are welcome to contact us throughout the year via [postbox@bloxwichacademy.co.uk](mailto:postbox@bloxwichacademy.co.uk) with any comments or questions you may have.

As well as providing information about our personal development curriculum, we also regularly post good news stories to show the activities, workshops and charity events that pupils are involved with. We will be updating the website and social media regularly with these events. We will be updating the school website, social media and writing to you to inform you of any charitable events or calendared events throughout the year.

In preparation for the change to the new RSHE guidance, we will also be offering family engagement sessions throughout the year and signpost support for caregivers when discussing RSHE topics at home. The first parent engagement session for the new guidance will be on Wednesday 15th July at 4.30 pm via TEAMS.

Yours sincerely
