**Enjoy More for Less This Summer with Great British Summer Savings ([Great British Summer Savings](#))**

As we approach the summer holidays, we are pleased to share information about the Government's Great British Summer Savings scheme, designed to help families make the most of the summer break while easing some of the financial pressures many households face.

From 25th June to 1st September 2026, families can benefit from significant savings on a range of activities and attractions, making it easier to enjoy quality time together throughout the holidays.

**What's Available?**

The scheme includes:

- Reduced VAT from 20% to 5% on:
  - Children's meals in participating restaurants.
  - Children and family tickets for cinemas, theatres, concerts and exhibitions.
  - Admission to a wide range of participating attractions and visitor destinations.
- Free bus travel throughout August for children aged 5–15 years in England, making it easier and more affordable to visit local attractions, cultural venues and educational experiences.

These savings provide a fantastic opportunity for families to explore new places, enjoy local entertainment, and create lasting memories over the summer break.

**Find Attractions Near You**

To help families locate participating venues, the Government has launched an Attraction Finder website. Simply enter your postcode to discover discounted attractions and activities available in your area.

**Supporting Families**

The Great British Summer Savings scheme is part of a wider package of support aimed at helping families with the cost of living and ensuring children have access to enriching opportunities beyond the classroom.

We encourage all families to take advantage of the discounts and free travel available this summer and hope that these offers help make the holiday period both enjoyable and affordable.

Thank you for your continued support, and we wish all our pupils and families a safe, happy and enjoyable summer.

Yours sincerely
