

EXTRA CURRICULAR

Benefits of attending extra-curricular activities

- You will be able to socialise with other pupils in school and make new friends.
- You will get to learn extra topics within that subject that isn't part of the curriculum.
- You can learn new knowledge and skills in that subject.
- You can get extra support from staff with homework and have access to computers to complete any work.
- You will have the opportunity to represent the school for some clubs for sporting fixtures or other events that run throughout the school year.
- They can help you with your academic studies.

Wellbeing Top Tips:

Your wellbeing is extremely important and there are many ways you can work on improving yours.

By attending extra-curricular clubs, you can:

- Take up new hobbies
- Be active
- Keep learning

How do extra-curricular clubs link to careers?

- They will help you learn more transferable skills to use in your future career.
- You can learn more about a subject or interest of yours.
- You may attend a club and find you really like it which could help you decide what you would like to do in the future.
- It allows you to use skills such as communication, teamwork, problem solving, creativity and decision making which are all extremely important skills for when you have a job in the future.

So, what clubs can I attend?

On the next few slides, it will tell you what clubs are on each evening.

They will also tell you:

- Who the clubs are offered to
- Which teacher will be running each club
- Where you need to go for that club
- A brief description of what you will do whilst at the club

If you have any questions about extra-curricular clubs, please either ask your form tutor or come and find me (Mr Stubley) at break or lunchtimes.

You can look at notice board in the canteen and by reception, look on the school website, or ask your form tutor to show you this PowerPoint on Padlet to see what clubs are on each day.

Finally, Expectations for extra-curricular activities

- You must ask your parents, carers or guardians in advanced if you can attend any extra-curricular clubs, so they know where you are.
- Clubs will finish at 4pm (CCF at 5pm) and staff will escort pupils to the main gate so you can leave the school site, no phone calls will be able to be made to parents, carers or guardians so make sure you know how you are getting home.
- You do not need a letter from staff to join a club unless it is a SEND only club (which you should've already receive), you just need to arrive at the correct place (on the slides below) straight after school.
- If you have a detention, you will not be allowed to attend a club that evening and **MUST** complete your detention – staff will be checking class charts at the start of clubs and will send you to the canteen to complete this instead.
- If you are attending any PE or dance clubs, you must have your full and correct kit with you – no pupils will be allowed to participate unless you have a note in your planner to explain why (please bring alternative kit if possible).
- If you misbehave or do not follow the school expectations, you will be sanctioned for this and if it is continual, you may not be able to attend clubs in the future.
