4th September 2026

Dear Parents/Carers,

Year 3 & 4 Virtual Reality Headsets Club

We are excited to announce the launch of our new VR Headset After-School Club for year 3 and 4 pupils, giving students the opportunity to explore exciting virtual worlds while developing creativity, problem-solving, and teamwork skills.

The club will be led by Mr Swift and will take place every **Friday from 3.15pm to 4.15pm**, starting on **Friday 11th September 2026** with the final session on **Friday 23rd October 2026**.

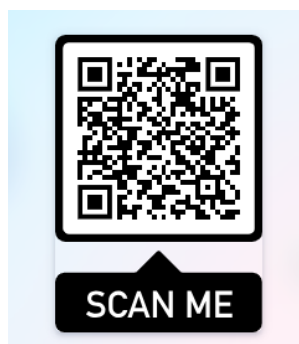

The club will provide a fun and engaging environment where students can safely learn how virtual reality technology works and take part in a range of age-appropriate activities.

The club will take place after school under the supervision of staff, with clear safety guidelines and appropriate limits on headset use. We hope this new opportunity will inspire students to discover technology in a fun and educational way, and we look forward to welcoming them to the club!

Please click the QR code below to book your child's place via parent pay. Unfortunately, there is a limit on how many children we can have so please register your child's space as soon as possible.

Yours sincerely,

Ms S. Shepherd
