

JT/CEA/BBY/da/Detentions

14th October 2026

Dear Parents and Carers

We would like to thank you for your continued support in ensuring that pupils attend detentions and engage positively with our behaviour and rewards systems. Working together helps us maintain high standards and provides the best possible environment for all pupils to succeed.

As part of our ongoing efforts to improve communication, please note that the school will no longer send detention notifications through Weduc. From now on, all detention information will be communicated through **ClassCharts**. We ask that parents and carers regularly check their ClassCharts account to stay informed about any detentions, behaviour updates, and achievements.

To support this transition, ClassCharts access codes have been sent to parents and carers via email. Please check that you can successfully log in and access your account. Regularly checking ClassCharts will ensure that you receive important information about your child's school experience.

If you experience any difficulties accessing your account or have not received your access code, please contact your child's House Team, who will be happy to provide support and assistance.

Thank you once again for your continued partnership and support. By working together, we can ensure that all pupils are supported to achieve their very best.

Yours sincerely
