Our RSHE policy (with curriculum overview) is available for families to read on the following link: https://bit.ly/4wCWGhd

We also have a dedicated personal development page where you can find out more information about our personal development curriculum. An important part of our curriculum is enhancing our provision with expert external speakers – we have included an overview for you and will write home to inform you when pupils are receiving assemblies or workshops about sensitive issues. You will also be able to view materials used for the delivery of RSHE from September onwards via our family portal and information regarding this will be sent home at the start of next term.

It is important to us at Bloxwich Academy that we take account of our local and school context and we adapt our curriculum as required to respond to any relevant issues. It is also important that we take account of pupil and parent views and pupil voice is a regular part of the work that we do. In order to consult with Parents/Carers, we have included a link to a Microsoft Forms for you to complete with any comments on how we meet the statutory requirements for RSHE- Parent Consultation – Fill in form. We would appreciate any comments by Monday 9th November 2026. Also, you are welcome to contact us throughout the year via postbox@bloxwichacademy.co.uk with any comments or questions you may have.

As well as providing information about our personal development curriculum, we are also regularly post good news stories to show the activities, workshops and charity events that pupils are involved with.
